

Dear Family and Friends:

As part of the WNKM High School Swimming and Diving team, I will be putting on my swimsuit, cap and goggles and participating in the **Swim-a-Pooloza**. This is the 8<sup>th</sup> year that we have been doing a 24 hour relay.

My team is taking on this swimming pool challenge for three important reasons: (1) because we are working to bond as a team to achieve our ultimate season's goal both as a team and as individuals; (2) it's a chance to raise much needed money for pool improvements and equipment; and (3) we want to help our community by stocking the local food pantry shelves. Therefore, the funds raised will be put towards pool improvements and food will be taken the local food pantry.

Your part is easy. All you need to do is commit to sponsoring me. My part is a little tougher. My team is committed to raising \$2000 by swimming in a relay format for 24 solid hours! Please donate as generously as you can by sending in your check payable to the Waukesha North Girls Swimming and Diving Team to the address below. Just in case you need a little extra motivation to sponsor me, here are a few reasons.

**Top Reasons to Sponsor me:**

My coaches will stay up all night cheering us on and keeping us on track, with a few cans of Diet Mountain Dew and Diet Coke in hand, of course!

I'll be up all night swimming, eating, making team motivational posters and bonding with my teammates. You can sleep comfortably through the night while still helping fund our financial goal.

Your contribution will help countless local families who utilize the local Food Pantry. It will also help us pay for our new pool equipment which we are trying to purchase.
